In The Joy of the Gospel Pope Francis tells us:

“...the Gospel is not merely about our personal relationship with God. The Gospel is about the kingdom of God; it is about loving God who reigns in our world. To the extent that [God] reigns within us, the life of society will be a setting for universal fraternity, justice, peace and dignity. The way we live as Christians is meant to have an impact on society.”

Evangelii Gaudium 180

It is a course to help you discover more energising and empowering ways to live out your faith in the reality of today's world: through relationships in family, parish, workplace; and the events of daily life.

It aims to help you become more open, confident, trusting and willing to work for change.
